Pornpimon Pradabsri

My experience includes building web applications using **React.js**, **Next.js**, **Tailwind CSS**, **Node.js**, and other related technologies.

While I possess a basic understanding of **PHP**, **SQL**, **MySQL**, **Express.js**, and **Prisma**, I am eager to learn on the job and acquire other relevant knowledge.

I am highly motivated and passionate about this role, continuously enhancing my skills and actively improving myself to excel in this position.

I look forward to receiving the opportunity to work with you.

Work Experiences

Programming Language, Libraries and Framework

Programming Tools
